CAUSE

On August 12, 2008, the defendant's wife contacted the U.S. Probation Office in the Northern District of Georgia, where supervision is currently being provided. She advised that the defendant had assaulted her. She declined to contact local law enforcement or press charges. She did require the defendant to move out of their residence and advised she would be pursuing a divorce. The defendant's supervising probation officer has interviewed him on several occasions regarding this domestic situation and believes the defendant has anger management issues. The probation officer has recommended counseling and he has agreed to attend. Attached is the Waiver of Hearing to Modify Conditions of Supervised Release signed by the defendant.
